PUBLIC HEARING RE: REPAIR of MJSHS TENNIS COURTS
BOARD OF EDUCATION
MACOMB C.U.S.D. #185
OCTOBER 15, 2018
7:04 P.M.

Board President Jill Myers call the hearing to order in the C.T. Vivian Library at Macomb Jr./Sr. High School. Members present: Duncan (telephonically), Gray, Adams, Torrance, Myers, Thompson, and La Prad.

Dr. Twomey explained the need for repair of the tennis courts at Macomb Jr./Sr. High School. He explained the tennis courts are used by students in P.E. classes, the girls’ and boys’ tennis teams, and the community. The cracked and uneven surface of the courts is hazardous for all, and water pools in the low spots. Additionally, frost heave has raised the fence posts so tennis balls are no longer contained in the court area and the net posts are no longer perpendicular to the court surface. The problem will be eliminated by resurfacing the courts and repairing the fence and net posts. Dr. Twomey asked for questions or comments from the Board of Education and those in attendance. Hearing none, Ms. Myers asked for a motion to adjourn the hearing. Member Adams moved, and member Torrance seconded, to adjourn the hearing at 7:06 p.m. Motion carried by voice vote.
