PUBLIC HEARING RE: FACILITY AND STUDENT SECURITY
AT MACOMB JR./SR. HIGH SCHOOL
BOARD OF EDUCATION
MACOMB C.U.S.D. #185
7:03 P.M.

Board President Jill Myers called the hearing to order in the C.T. Vivian Library at Macomb Jr./Sr. High School. Roll was taken with the following members present: Duncan, Gray, Adams, Torrance, Myers, Thompson, and La Prad.

Dr. Twomey presented information on the video security project, noting inspection of the current system revealed poor quality recordings due to the age of the cameras. Additionally, similar to the situation at Edison, the current cabling will not pair with upgraded digital equipment. So, in order to remedy the image quality issue with installation of updated equipment, it will be necessary to upgrade the cabling system, as well. The system upgrade will also be extended to some outdoor locations and the entire project will be paid for with Health & Life Safety funds.

Dr. Twomey asked for questions and/or comments from the Board and those in attendance at the meeting. In response to member Myers’ question about when the projects would be done, Dr. Twomey explained the work at Edison would be done in conjunction with the renovation/construction project and the MJSHS work may be undertaken over the summer, if all goes according to plan.

Hearing no other questions or comments from the Board or those in attendance, Ms. Myers asked for a motion to adjourn the hearing. Member Duncan moved, and member La Prad seconded, to adjourn the hearing. Members voting “yes”: Duncan, Gray, Adams, Torrance, Myers, Thompson, and La Prad. Members voting “no”: none. Motion carried.
