Board Vice President Scott Torrance called the meeting to order in Conference Room A at the District Administrative Service Center. Members Adams, Gray, La Prad and Torrance were present. Members Duncan, Myers, and Thompson were absent.

Dr. Twomey presented the Work Plans for School Improvement for Lincoln Elementary and Macomb Junior High School. He explained this is a three year process, with approval and submission of the plans being the first step. The process is tied to receipt of state funds that will be used to make instructional improvements for IEP students. The Board reviewed the plans and it was noted the term “disabled children” should be changed to “children with disabilities” and that a duplicate paragraph should be removed. Discussion continued regarding equity issues and indicators of improvement, and Dr. Twomey gave a brief overview of the Orton-Gillingham program currently being used to enhance reading instruction at the elementary levels.

Member La Prad moved, and member Gray seconded, to approve the Work Plans for School Improvement for Lincoln Elementary and Macomb Junior High School with the specified edits. Members voting “yes”: Adams, Gray, La Prad, and Torrance. Members voting “no”: none. Motion carried.

Member Gray moved, and member La Prad seconded, to adjourn at 9:42 a.m. Motion carried by voice vote.
