Board President Jill Myers opened the hearing at 7:00 p.m. in the C. T. Vivian Library at Macomb Jr./Sr. High School. Following the Pledge of Allegiance, roll was taken with the following members present: Gray, Adams, Torrance, Myers, and Thompson. Member La Prad was absent.

Dr. Twomey explained the necessity for the hearing to request a modification of School Code. The request is for a five year waiver of the code governing use of school improvement days. The waiver would allow the option to use two full days for school improvement instead of the six half days required by code. This modification requires the District to bank extra minutes to accumulate the time needed for two full days of school improvement. The District has maintained this waiver for the past five years and renewal of the waiver would give the District the flexibility to schedule school improvement days as required by School Code or to use two full days.

Dr. Twomey asked for questions or comments from the Board and those in attendance. Hearing none, President Myers asked for a motion to close the hearing at 7:02 p.m. Member Thompson moved, and member Adams seconded, to close the hearing. Motion carried by voice vote.
