

February Choice Board

Where reading, learning, making, coding, technology and singing can take you on adventures all month long!

Learn about and celebrate special events in February

Let's Learn About Groundhog Day
On February 2, we wait to see if the Groundhog sees his shadow. If it is sunny and he sees his shadow, it is said that there will be six more weeks of winter.

You can watch these videos about Groundhog Day and the celebration.
