PHYSICALS & IMMUNIZATIONS - Entry into SIXTH grade requires a physical examination and updated immunizations including one dose of Tdap vaccine and one dose of meningococcal vaccine. Students entering sixth grade are also required to provide proof of having received DTP series, Polio series, Hep B series, two doses of Varicella, and two doses of MMR. A dental examination or waiver is required for 6th grade students and is due by May 15, 2023.

MACOMB EDUCATIONAL FOUNDATION - Thank you to the MEF for the support provided to our educational programs this school year. Additional thank you goes to those who purchased coupon booklets, the sale of which made this support possible.

A NOTE TO THE STUDENTS AND FAMILIES AT EDISON SCHOOL - Thank you from the Administration, Faculty, and Staff at Edison School for your part in making the 2021-22 school year a successful one. We appreciate your efforts and look forward to working with you again next year!

FAMILY ACCESS is an internet service that you can use to access confidential information on your child/children who attend school in the Macomb School District #185. This service offers information about your child’s attendance, health records, and food service account. Parents are encouraged to use Family Access. If you already have a Family Access User Name and Password, you need not acquire another one. This will grant you access to all your children's information and to
the online registration process. If you have any questions, please call Edison School at 837-3993. We will be checking for messages daily.

**STUDENT REGISTRATION** - Online registration through Family Access will begin on May 2. No registration fees will be collected for the 2022-2023 school year for grades PreK-12.

**P.T.O. NEWS** - Thanks to all of our hardworking and dedicated P.T.O. volunteers. We appreciate you!
