Mr. Bryan, Principal

MACOMB
SCHOOL DISTRICT

Welcome Back!

First off, I would like to introduce myself. My name is Eric Bryan, and I am the new principal at Lincoln Elementary. I have been working with students as a coach, teacher, and administrator for over 30 years. I am very excited to be here and look forward to working with all our staff, students, and parents. I will work extremely hard to build a culture where our students and staff feel safe, work hard, and enjoy coming to school. Your children are extremely important to me, and from 7:30-3:00, I will treat them and care for them as if they were my own children. We will set our expectations high as it pertains to student achievement and behavior. With all of us working together, staying on the same page, and staying committed to our expectations, 2022/2023 will be a successful school year. Any questions or concerns with what is going on here at school, I would ask that you never hesitate to reach out to me. I want everyone to be proud of what is going on at Lincoln Elementary!

Drop Off/Dismissal Procedures

Updated procedures will be on the school website by August 12th. We ask for everyone's patience the first week or so as we get everyone on the same page before and after school. We want to be extremely efficient and get everyone where they need to be in a timely fashion, but our students' safety is of the utmost of importance.
