NEWSLETTER

Mr. Bryan, Principal

MACOMB
SCHOOL DISTRICT

I would like to thank everyone for their patience and understanding as we began our school year. Like every year, it takes a few days to get things running smoothly. After a few days, our drop-off and pick-up procedures seem to be improving every day. Students are becoming more accustomed to getting back in a routine of being at school all day. Teachers are establishing relationships with their students, along with getting to know their students' academic strengths and areas for improvement. On a safety note, we have held numerous drills (bus evacuation, fire, severe weather, and lockdown) to help better prepare our students in case of an emergency.

PTO

Lincoln Elementary PTO is always looking for additional support when it comes to members and volunteers. They meet on the first Tuesday of every month at 6pm in the Lincoln Elementary School Library. This month's meeting will be on September 6th.

Establish a Culture for Literacy

Any parent wanting to impact their child's education I have one simple suggestion: *Reading at home*. Whether it is an adult reading to a child, a child reading to an adult, or a child reading independently. The more opportunities we can provide where books are in our students' hands, the better!
