Educational Support Personnel - Termination and Suspensions

There are three forms of employment termination: resignation, involuntary termination, and retirement. The following procedures are applicable.

Routine Procedures for All Terminations

Exit Interview

The employee’s supervisor is encouraged to conduct an exit interview with all terminating employees.

The purpose of an exit interview shall be to give the employee an opportunity to discuss freely his or her reasons for termination; to obtain information and views from employees to help the District improve policies, procedures, and working conditions and reduce employee turnover; and to provide the employee with information about his or her benefits.

Resignation and Retirement

An employee is requested to provide two weeks’ notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board’s goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction In Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsources non-instructional services) and 10-23.5 (procedures) of the School code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee’s final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct, or pending a dismissal hearing whenever, in the Superintendent’s judgment, the employee’s presence is detrimental to the District. A disciplinary suspension shall be with pay (1) when the employee is exempt from the overtime provisions of the federal wage and hour laws, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
   a. A suspension with pay; or
   b. A suspension without pay.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended. A suspension of an employee having a protected property rights in continued employment requires a notice and hearing.
