Administrative Procedure - Notice to Parents Required by Elementary and Secondary Education, McKinney-Vento Homeless Assistance, and Protection of Pupil Rights Laws

The Elementary and Secondary Education Act (ESEA), McKinney-Vento Homeless Assistance Act (McKinney-Vento), and Protection of Pupil Rights Amendments (PPRA) mandate that schools receiving federal funds provide parents/guardians with information and notices in an understandable and uniform format and, to the extent practicable, in a language that the parents can understand. This procedure contains the key notifications that districts and schools must provide to the parents/guardians of students. The legal references are provided at the end of the procedure. The only notices applying to districts that do not receive Title I funds are those regarding student privacy. In addition, see:

Districts must provide parents timely notice that the parent’s child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

5. Testing transparency. At the beginning of each school year, a school that receives funds under this part shall notify the parents of each student attending any school receiving funds under this part that the parents may request, and the district will provide the parents on request in a timely manner, information regarding any State or District agency policy regarding student participation in any assessments mandated by 20 U.S.C. §6311(b)(2) and by the State or District, which shall include a policy, procedure, or parental right to opt the child out of such assessment, where applicable.
