Administrative Procedure - Resource Guide for Implementation of Suicide and Depression Awareness and Prevention Program

The Superintendent or designee, at the District level, and the Building Principal or designee, at the building level, are responsible for implementing the Board’s goals of increasing awareness and prevention of depression and suicide in Policy 7:290, Suicide and Depression Awareness and Prevention. The Superintendent and/or Building Principal(s) may want to assign Student Support Committees as established under 7:250-AP2, Protocol for Responding to Students with Social, Emotional, or Mental Health Needs, to assist them with the implementation of these goals. Use other locally available resources, including but not limited to those listed below to determine the best implementation methods.

Listed below are the six policy implementation components of Ann Marie’s Law, 105 ILCS 5/2-3.166(c), in Board policy 7:290, Suicide and Depression Awareness and Prevention. Each component lists specific implementation steps, along with any applicable sample PRESS policies, administrative procedures and/or exhibits, available State and/or federal resources, and examples if available. The III. State Board of Education (ISBE) has created the Illinois Youth Suicide Prevention Toolkit: A Reference for Administrators, Counselors, Teachers, and Staff at: [www.isbe.net/Pages/Suicide-Prevention.aspx](http://www.isbe.net/Pages/Suicide-Prevention.aspx), and provides other resources at the same website to guide the District in the Implementation of policy 7:290, Suicide and Depression Awareness and Prevention. Confirm the resources listed in this procedure, and any information provided in the hyperlinks with the Board Attorney before the Superintendent, Building Principal, or Student Support Committees apply them to a specific situation in the District.
